Outdoor Junior Atlantics Qualifying

Qualifying for the 2025 Outdoor Junior Atlantics will be based on both the National Bank Rankings, and a Provincial Qualifying process, to fill maximum draw sizes of 12 players per category. The top 8 ranked players in Atlantic Canada in each age group as of July 2nd, 2025, for each gender will qualify to play in the Outdoor Atlantics regardless of which province they are from. Players who are in the top 8 in their older (secondary) age group will qualify for both events. Playing both divisions at the Atlantics is discouraged unless you plan to attend both Nationals in the case of qualifying for both age groups. If a player in the top 8 is not using their spot, the next player in the rankings would receive the spot until the 8 are filled. For all draws that have 8 filled by rankings, 4 additional spots will also be available - one per province, per gender, per age group, for a maximum singles draw size of 12.

The 4 additional spots (1 per province) will be determined by each of the Provincial Tennis Associations (contact your respective Provincial Tennis Association (PTA) for further information). If any of these spots are not filled by a province, they would then be made available to players from other provinces and would be filled based on the National Bank Rankings (i.e. next highest ranked player).

The Under 10 Qualification will be based on the current year's Point Total. This will include only the eight 4 Star events of the current calendar year, plus the indoor Atlantics results.

See point structure for the outdoor season below:

Placement	Points for 5 Star (Atlantics) / 4-Star
Champion	175/100
Finalist	135/70
3 rd	80/50
4 th	65/40
Quarter-Finalist	35/20
Round of 16	17.5/10
Consolation Round Winner	12.5/7.5

Outdoor Junior Atlantic Circuit Events:

The Outdoor ATA Circuit will consist of four 4 Star Circuit Events, one to be held in each of the four Provinces. These events are open to all players residing inside or outside of Atlantic

Canada and are not a requirement to qualify for the Atlantics. That is, players who are ranked in the top 8, regardless of whether or not they have played in an Atlantic 4 Star, will qualify for the Atlantics.

The following is the schedule of Outdoor 4 Star events for 2025:

- Event #1: May 30-June 1: Halifax (Bedford), NS
- Event #2: June 5-8: Rothesay, NB
- Event #3: June 13-15: St. John's, NL
- Event #4: June 27-29: Moncton, NB (combined with East Coast Open)
- **Atlantic Regional Junior Championships:** July 9- 13, SATC, Bedford, NS

Registration for the above events will be conducted through the respective Provincial Tennis Associations. The provinces have all agreed that the format will be consistent for all of the circuit events, standard draws with first round loss match consolation. However, small draws of 4 or less may use round robin format. Players may play in 2 singles divisions if they wish. For all ATA 4 Star events and Outdoor Atlantics, players may play in their current (primary) age division and may also play one age group higher if they wish.

Outdoor Atlantics:

The 2025 Outdoor Junior Atlantics will be held at the Sobeys Atlantic Tennis Centre, Nova Scotia from Wednesday, July 9th through Sunday, July 13th. The event will be a 5-day tournament with play to begin for all categories on Wednesday. Players may qualify in 2 singles events (if in Top 8) and play in 2 singles draws at the Outdoor Atlantics; however, they must be prepared to play up to three singles matches each day as required by the scheduling process.

Match Formats for MAIN DRAW:

All singles divisions, with the exception of Under 10, will be elimination draws with feed-in consolation to the semis. Losers of the semis would feed into the consolation semis and could potentially play off for the 3 and 4th positions.

Scoring format for main draw singles, and feed-in consolation, will be best 2 of 3 tiebreaker sets with full 3rd sets. Under 10 singles will use a similar format but will play best 2 of 3 short sets to 4 with full 3rd sets, Tiebreaks to 7, to be played at 3-all. Small draws may use a modified format.

All doubles divisions will play one 8-Game Pro-set, with No-Ads (returner's choice) and a regular tiebreak to 7 (winning by a 2-point margin) played at 7-all in games. There are no consolation matches for doubles.

Seeding for Atlantics: Seeds will be determined by the National Bank Rankings.

Under 10 seeding will be based on the Atlantic U10 Point schema, from current calendar year 4 Star events. All draws will have 4 seeds, unless the category has a draw size smaller than 8 players.

Nationals Wildcards:

On rare occasions, the ATA will accept requests for a wildcard spot from a player who is unable to attend the Atlantic Championships for valid reason (e.g. conflicts with a Tennis Canada mandatory camp, significant injury with physician note, etc.). Wildcard applications must include supporting documentation and are reviewed on a case-by-case basis using objective criteria. A maximum of one (1) wildcard per age group per gender may be awarded to players with valid reason who is deemed to be one of the top players in their division. Any request for a wildcard must be sent to the ATA Administrator (Pierre Gallant) at least 10 days in advance of the first day of the Atlantic Championship tournament. The awarding of a wildcard will require unanimous consent from the 4 Provincial Tennis Associations and will be communicated to players prior to the start of play of the Atlantics. In the event that a Wildcard is granted, the remaining two nationals spots will be awarded to the 2 main draw finalists of that particular age category. At that point, no Nationals spot will be awarded to the winner of the Consolation Draw.
